Dear Khala,

Thank you for your generous contribution of \$371.22 to ICM Food & Clothing Bank. Your gift will be used to support our work in, "providing an immediate response to basic human needs" for needy families, seniors on a fixed income, grandparents raising grandchildren, and the mentally and physically disabled.

Troy came through the ICM line looking for the same thing many clients need, household items. Items that many of us take for granted having- things like towels, dishes, light bulbs or a table lamp. Troy needed a light bulb for his two year old son's room as it blew out just the day before, and Sam would not receive his next paycheck for three days. Sam said "I know I could buy one at the dollar store, but I am not kidding when I tell you I don't have even \$1.00 to spare!" ICM is here to help families get through until they are able to do so on their own. And for many families it is just those last few days right before payday. Thanks to donors like you ICM was able to help Troy light up his son's room.

With the support of donors and volunteers, we can continue to offer families a place to turn in their time off need. Thank you again for thinking of ICM for your donation. We hope that State Employees Charitable Campaign will continue to partner with us in our commitment to prevent hunger. We encourage you to visit ICM to see firsthand how your donations are helping.
