Dear Ms. Fisher:

I would like to express my sincere gratitude for your recent gift received on 4/24/2013 in the amount of \$6.52 to the MCCCD General Unrestricted Scholarship. Generosity such as yours contributes to the success of many programs, as well as, deserving students who all too often forgo their educational and career dreams due to financial constraints.

Last year alone, the Maricopa Community Colleges Foundation awarded more than 1,800 scholarships as a result of contributions similar to yours. Many of the scholarship recipients would not have been able to attend college without this financial support. For others, the scholarship represented hard earned recognition for academic excellence.

I wish, once again, to thank you for your generous commitment to higher education; please remember that your gift is tax deductible to the extent allowed by state and federal law. This letter shall serve as your receipt and should be retained for income tax filing purposes. Our federal tax i.d. number is 86-0327449. No goods or services were received in exchange for this gift.

Sincerely,

A handwritten signature in black ink that reads 'Mary O'Connor'.
