Dear Ms. Walker,

Your generosity helps make possible the continued delivery of critical Red Cross services when people need help right away and without warning – during times of disaster. Through your Valley for the Sun United Way gift of \$461.91 (check number 26122, dated 5/24/2013), SECC you help the Red Cross be there, ready to assist with food, clothing, temporary shelter; whatever we can do to relieve suffering.

It will make an enormous difference for families and children to receive help with basic needs during an emergency; assistance given with compassion and caring support. Just about every other day, we are called to the scene of a local disaster. Within an hour, or as soon as possible, we are on the scene providing our full range of crisis assistance, including mental health counseling and financial assistance when needed. We also link people to social services that we cannot provide, helping more than 1,000 people rebuild their lives each year.

Your support clearly demonstrates your aim to make a positive difference and to better peoples' lives. So, it is on behalf of the families and children whose lives will be affected by your community spirit that we express gratitude for your meaningful contribution.

Thank you for your commitment to our community!

Warmest regards,

Richard K. White
