Dear Ms. Walker,

Thank you for the donation to help us continue the Mission of giving hope and building back self-esteem to the many suffering from cancer. SECC's kind donation of \$327.52 is especially needed during these trying times helping to enable us to continue the outreach of essential touch giving personal care, to the thousands who are suffering from cancer, and in their most challenging storm of life.

Face in the Mirror provides through your giving, botanical skin care products, facials, a hand and foot massage, wigs, scarves, and hats, and hope for tomorrow. We strive to leave the patient with a smile that "smiles back at cancer"!

Our monthly teas are open to you, anytime, if you would like to come, be our guest. Thousands annually visit who have cancer, as well as those who come to support the ones who do. Be our guest, bring a friend, and learn more about how Face in the Mirror is truly making a change in the face of cancer!

Please visit our website www.faceinthemirror.org for time and place and to understand better how many other ways we are touching the world for the better.

With the SECC support Face in the Mirror can continue to "put the smile back in cancer" so that the patient can truly say "I CAN"

Expecting miracles,

Barbara MacLean
