Re: 2013 Contribution Summary

Thank you for your generous contributions to Flagstaff Medical Center during calendar year 2013. Your 2013 contributions in the amount of \$ 7.12 are greatly appreciated.

Your gifts will be used to enhance services and new initiatives aimed at improving health and quality of life for our families, neighbors, visitors and friends throughout the region.

World Class healthcare relies heavily on private funding and your continued support of FMC is invaluable. Every donation, no matter the dollar amount, has the potential to make a difference in someone's life and your contributions are more important than ever before.

Throughout the last year, you may have received acknowledgement letters thanking you for individual gifts. This notice summarizes all 2013 contributions. If you have any questions regarding your annual contributions, please contact Natasha Warmenhoven at (928)773-2397.

Thank you for including FMC among the charitable organizations you support.

Sincerely,

Richard A. Smith, Ed.D.
