Dear Friends:

Hospice of the Valley is thrilled to participate in the State Employees Charitable Campaign. We are honored to receive your support.

I'd like to take this opportunity to personally thank each person who has directed their gifts to Hospice of the Valley. Through the State Employees Charitable Campaign, State of Arizona employees have pledged nearly \$880,000 to patient care over the past 21 years.

Hospice of the Valley serves 17,000 patients and families annually regardless of their financial circumstances. For example, the wife of a patient we cared for who came to us without resources wrote, *"For the last three months you have been a part of my husband's life and my life. I could not have managed his illness without your help and guidance. You supplied everything I needed to make him comfortable and safe. You made this journey much easier and for this I truly thank you."*

We appreciate the confidence and trust State of Arizona employees have shown in our mission. It makes a difference to people in all walks of life, and we are grateful.

Sincerely,

Susan Levine
