Khala Walker
State Employees Charitable Campaign
100 N. 15th Avenue
Suite 402
Phoenix, AZ 85007

Dear Ms. Walker,

On behalf of the Native American Community Health Center, Inc. dba NATIVE HEALTH, thank you for your recently received donation through the State Employees Charitable Campaign. Your contribution makes it possible for us to serve the urban Native American and other underserved populations in the Phoenix metro area.

Since its inception in 1978, NATIVE HEALTH has grown from a Community Health Nursing Program to a full service Community Health Center providing primary medical, dental, and behavioral health care, WIC services and other ancillary programs. We also provide optometry and podiatry services, and have begun to initiate a community garden. This is possible because of community members like you who help NATIVE HEALTH as we work to further our Mission:

NATIVE HEALTH provides holistic, patient centered, culturally sensitive health and wellness services.

In 2013 NATIVE HEALTH's primary administrative and service provision site moved to a strategic location to improve access for our patients and community benefactors as we grow. If you would like to tour NATIVE HEALTH's new location and see where your donation has made a difference please let me know.

Your donation(s) enables us to provide services for people that do not have insurance or other financial means. We hope for your continued support in the future. Thank you Khala for investing in our organization and in the communities we serve.

Your donation is tax deductible and eligible for use as an AZ State Tax Credit. Enclosed is a receipt of your 2013 donation(s) for your records.

Your gift will contribute to improvements in the health status of the Phoenix metropolitan urban Native American community.

Happy Holidays and Best Wishes for 2014!

Sincerely,

Walter Murillo,
Chief Executive Officer
