Dear State Emp Charitable Campaign,

On behalf of the Board of Directors, Advisory Board and Arizona military, we would like to thank you for your donation of \$493.75 to Operation Homefront of Arizona. Your patriotism and support continue to help us supply the much needed financial and morale relief for those that have protected and continue to protect our country.

With one combat region war at an end, we find ourselves assisting an increased number of returned wounded warriors. These clients have wounds that are visible and non-visible. We continue to see the affects that time separated from home brings to them and the family left behind.

Your donation aids in our ability to support these warriors and their families when we receive the requested need. Your donation is priceless. To be able to keep the electric on, the vehicle running and food in the cupboards with financial assistance in the form of grants provides a huge relief to those that are so proud and apprehensive in asking. We have helped with the return to school with necessary provisions. We have supplied countless families the extra help with holiday gifts on Christmas morning. Your support has helped us to remind those serving our country that we are still patriotic and there to assist. We have not wavered in our appreciation for their mission and will continue to help on the homefront.

Thank you for your faith in us. We will continue because of your patriotism.

Proudly serving our Arizona military,
