Dear Friends,

Thank You so much for your most generous donation to the S.A.F.E House. With you on our side we are able to provide a safe place for Women and their Children to turn when caught up in a fearful environment. Our efforts are to educate and as well and help to heal the scars of those who have fallen victim to domestic violence. If not for wonderful people like you, we would have a difficult time seeing to the needs of these Women and Children seeking to find within themselves; the Hope, the Strength and the Knowledge, to carry on with their lives. In addition to our residential program, we also offer crisis intervention to non residents. The White Mountain S.A.F.E. House is a non-profit domestic violence shelter and there is no charge, for any service that we provide.

We Sincerely Thank You
for
Being a Friend
of
The S.A.F.E. House.
