Dear SECC,

On behalf of WestCare's clients, staff and Board of Directors, we want to thank you for your donation. Individuals like you make it easier for us to achieve our vision toward uplifting the human spirit and to realize our mission of "empowering everyone with whom we come in contact to engage in a process of growth, healing and change, benefiting themselves, their co-workers, their families and their communities". Because of your generosity, we are able to help many men, women and children in our community that might not get the help they need otherwise. In the year 2012, we were able to help thousands of people in the tri-state area.

We thank you again for your generosity and support.

Sincerely,

  
Cheryl DeBatt

Program Coordinator
