

Celebrating 28 Years!

Supporting the high school
graduation of homeless youth.

YOUTH ON THEIR OWN

July 10, 2013

Ms. Angela C. Fischer
State Employees Charitable Campaign
100 N. 15th Avenue, Ste. 201
Phoenix, AZ 85007

Dear Angela,

Thank you for your recent donation to Youth On Their Own of \$72.48, received on 7/1/2013, by check number 26230. Through your kindness and generosity, Youth On Their Own supports the high school graduation of homeless and abandoned, through no fault of their own, youth by providing basic living needs, a monthly living stipend earned by good grades, and special needs as encountered.

Because of the investment you and others in the community like you made, we were able serve 60% more students this year. We reached 1,071 students in 95 different schools in Marana, Catalina Foothills, Tanque Verde, Vail, Sahuarita, Sells, and metro Tucson. YOTO celebrated our highest graduation rate yet of 96% with 254 seniors this year. Due to the sharp increase in the number of students we serve, we moved to a larger, more centrally located building. Our new office address is 1660 N. Alvernon Way, Tucson, AZ 85712. In our new building, we now offer the students a drop-in resource center where they can use computers for homework, research advanced education opportunities, job resources, and attend life skills workshops. The office is on two major bus lines enabling more students to access our mini-mall and the drop-in resource center.

Your support provides the opportunity for students to have a positive life change through the power of education which begins with a high school diploma. Thank you for making THE difference for these youth, as well as our community and nation.

Sincerely,

Teresa Liverzani Baker
Executive Director
